HEALTH CAREERS OPPORTUNITY PROGRAM

A Community Partnership Advocating and Supporting Health Career Professions of Students for over 25 years

Are you preparing for the MCAT, PCAT or DAT?

**Do you want to know how you can better your chances for success in a
Health Profession?**

Want to EARN some Cash while you learn how?

Then let HCOP help you!

HCOP will conduct a six-week summer experience that will take place on the campus of West Virginia University. The Facilitating Entry (FE) program is designed to enhance the competitiveness of students as they prepare to apply to schools or programs of medicine, dentistry and pharmacy. The primary goal of this project is to provide students with the knowledge, skills, support, and abilities to enter and graduate from post-secondary schools. The FE program includes a review for either the Medical College Admission Test (MCAT), the Dental Admission Test (DAT) or the Pharmacy College Admission Test (PCAT); preparation for the application and interviewing process including mock interviews; shadowing in health care clinics and/or research laboratories. **Only 25 students will be selected!** **Students enrolled will receive a stipend to cover all expected costs of participating in this summer enrichment program; such as housing, supplies and food.**

Deadline for applying is Friday, April 3, 2010
